Abstract
Islamic trend in the poetry of Mohammad al-eid al-khatrawi
Abed alraheman hilal al-haysoni al harbi

Mu'tah university, 2010

This study deals with (the Islamic trend in the poetry of – Mohammad al-eid al-khatrawi). The study includes three chapters and preface, the preface introduces the life and culture of the poet, and his achievements (poetry stuff, compisional and critical work.)

First chapter introduces the Islamic subject work of the poet, examples include prayer biography of Mohammad, glorification of prophet Mohammad, Islamic –arabic union, calling for al jihad, and the importance of holy places.

Second chapter introduces the poetry language with with regard to personal, natural, historical, folklore, and the study of religion text.

The third chapter includes, the language of the poet, important structural methods and music .

The study concludes number of results, at the head, the highlightining of Islamic direction obviously, at the work of the poet which made him depend on direct judgment.
